16:30	<p>Finale SESSION</p> <p>What did we learn from: Pharyngeal and Tongue & Epiglottis procedures versus MMA and Hypoglossal Stimulation</p> <p>(ROOM CORAL 1)</p>	<p>Stanley Liu <i>us</i></p> <p>Michel B Cahali <i>BR</i></p> <p>Olivier Vanderveken <i>BE</i></p> <p>Clemens Heiser <i>DE</i></p> <p>Claudio Vicini <i>IT</i></p> <p>Leopoldo Correa <i>us</i></p> <p>Modera:</p> <p>Rodolfo Lugo <i>MX</i></p>

Keynotes y Talks

CLAUDIO VICINI

Palate & Pharynx OSA Surgery. Which is the best? Discussion panel

Finale SESSION What did we learn from: Pharyngeal and Tongue & Epiglottis procedures versus MMA and Hypoglossal

CLEMENS HEISER

What is new in Hypoglossal Stimulation?

Finale SESSION What did we learn from: Pharyngeal and Tongue & Epiglottis procedures versus MMA and Hypoglossal

CARLOS O CONNOR

Myofunctional therapy

EDILSON ZANCANELLA

PSG + HST, tips and pearls

Palate & Pharynx OSA Surgery. Which is the best? Discussion panel

LEOPOLDO CORREA

MAD and the Sleep Dentistry Concept

Finale SESSION What did we learn from: Pharyngeal and Tongue & Epiglottis procedures versus MMA and Hypoglossal

MANUELE CASALE

Postoperative Care after sleep Surgery Discussion Panel

Palatal & Pharyngeal Surgery

Palate & Pharynx OSA Surgery. Which is the best? Discussion panel

MICHEL CAHALI

Postoperative Care after sleep Surgery Discussion Panel

Lateral wall Pharyngoplasty (the PF muscle mobilization)

Finale SESSION What did we learn from: Pharyngeal and Tongue & Epiglottis procedures versus MMA and Hypoglossal

GUILLERMO PLAZA

DISE updates & controversies, discussion panel

Postoperative Care after sleep Surgery Discussion Panel

OFER JACOBOWITZ

The SNORING management & procedures

Nasal surgery & OSA UPDATE

DISE updates & controversies, discussion

PETER BAPTISTA

Complications in Hypoglossal Stimulation

New technologies: APP and Devices

DISE updates & controversies, discussion

OLIVIER VANDERVEKEN

Phenotypes and Endotypes in Sleep Apnea

DISE updates & controversies, discussion

Finale SESSION What did we learn from: Pharyngeal and Tongue & Epiglottis procedures versus MMA and Hypoglossal

RODOLFO LUGO

Postoperative Care after sleep Surgery Discussion Panel

Indications in Hypoglossal Stimulation

Finale SESSION What did we learn from: Pharyngeal and Tongue & Epiglottis procedures versus MMA and Hypoglossal

STACEY ISHMAN

Post children T&A fail? What next?

Esqueletal surgery for OSAS Discussion Panel

STANLEY LIU

JOINT LECTURE BRAZILIAN SLEEP CONGRESS-SIBECS CONGRESS

Esqueletal surgery for OSAS Discussion Panel

Finale SESSION What did we learn from: Pharyngeal and Tongue & Epiglottis procedures versus MMA and Hypoglossal

STEVE AMADO

Postoperative Care after sleep Surgery Discussion Panel

Indications in Hypoglossal Stimulation

NICO DE VRIES

Postoperative Care after sleep Surgery Discussion Panel

Is sleep surgery a viable alternative for CPAP in OSA?

DISE updates & controversies, discussion panel

ERIC THULER

DISE variation How to improve the exploration

Esqueletal surgery for OSAS, patient selection

FAUSTO FERNANDES

Postoperative care after sleep surgery

Palate & Pharynx OSA surgery

ANAND RAJU

Trouble shooting in osa surgery
